SNOW CANCELLATIONS

With many winter months ahead of us and the possibility of snow storms, we would like to remind all students of our snow cancellation policy. When there is a *major* storm that closes down schools and much of everything else, it is fairly certain that our school will be closed as well. However, more often than not we are faced with smaller storms that either begin early and clear up by mid-afternoon, or that start when our classes begin or are already in progress.

Whenever the weather conditions are questionable, you should call the studio approximately one hour prior to your class time to see whether classes will be held or not.

Unless we are without power, there will always be a recorded message informing you of the status of our classes for that day. We will also send an email notification if you have provided us with your email address. You may check our website and when possible we will post cancellations there as well. If there is any question, however, you should call the studio.

When classes are cancelled due to the weather, you have the option to make up that time in any of the duplicate classes that meet regularly each week (eg. Pre-Primary classes meet on Mondays, Thursdays, and Saturdays). You may come at your convenience any time during the year to make up the class and you ***do not*** have to call ahead to ask permission. Please inform the teacher when you arrive at the class. If there is not a duplicate class on the schedule, we will inform you of other make-up options. Schedules are available in the office or on the BAC website (www.bacw.com). Please feel free to call if you are not sure which class to attend.

With any luck, we will not have to deal with this annual inconvenience, but as we all know, when Mother Nature steps in we do what she tells us we must do!
