Parking and Safety Issues

We are continuing to work with the other businesses at 50 Cross Street to address the parking/ safety concerns at our building. The addition of a traffic director on the heaviest days has improved the flow which again, is most difficult on the half hour between 3:30 - 5:30 when all schools are dismissing and entering at the same time. If your child has a class at 3:30, 4:30 or 5:30, coming even 10 minutes on either side of that time might make it easier to avoid the "clog" that is happening during this span. If you have a student who is old enough that you typically drop off, we suggest using the turn through space in front of the NextDoor Theater as a way of being able to pull in, drop off and continue out onto Cross Street without entering into the back parking lot at all. Please remember there is no parking in this area even if only for a few minutes.

Again, we encourage you to remind your children (of ALL ages) that walking between parked cars requires the same attention as crossing the street and we also encourage students to wait inside the building when it is dark while waiting for their ride. The safety of our students' is our first priority and we appreciate your patience as we continue to deal with this matter.

WE WOULD LIKE TO SEND ALL OF OUR
STUDENTS AND THEIR FAMILIES OUR BEST
WISHES FOR A WONDERFUL AND JOYOUS
HOLIDAY SEASON!

AS ALWAYS, HAPPY DANCING!

- Debbie and the Entire BAC Staff
