

## Dance Portraits 2018

Dear Parents,

I have been invited by Ballet Arts Centre of Winchester to photograph your dance students this year on the following date:

### **Portrait Day: Tuesday, May 1<sup>st</sup>**

Portrait times for each individual class are on the photo schedule below. However, if your scheduled time does not work for your child, you can still bring your child to be photographed any time between 1:00 and 5:00 p.m. If Tuesday, May 1<sup>st</sup> does not work for you, please call me to arrange a private appointment for your child in my studio.

Pictures will be taken in full costume and makeup. Please make sure that your child's laces are tucked into their ballet slippers. Props that accompany each costume are usually available at the studio on Portrait Day.

Additional order forms are available in the BAC office and website, and on my website at [ambrosephotography.com](http://ambrosephotography.com)

As always, it is a pleasure to photograph your beautiful dancers. I look forward to photographing them both at the studio and on stage for the recital in May.

Sincerely,  
Cydney S. Ambrose
