Ballet Arts Centre Newsletter

Welcome BAC Families!

We are very excited to begin our new dance year this Monday, September 19th and are looking forward to seeing everyone soon!

Over the past 27 years, Ballet Arts Centre has seen thousands of students come through its doors. Our mission has always been "to offer the highest quality of training in an environment that fosters self-expression,

self-discipline and self-esteem while instilling a love and dance and an appreciation for the arts that will last each student a lifetime." As we begin our new season I am happy to welcome back the wonderful professional faculty who works alongside of me, the students who have been with us for a lifetime and consider BAC their home, and the many new faces and families that will join us for the first time this year. It is our pleasure to continue to provide you with an experience that provides not only great training and lifelong learning, but a caring and nurturing home for years to come!

Warmly,

Debbie

Miss Lorraine's "Vaganova Barre Work & Classical Variations Workshop" will begin with a selection of Vaganova syllabus exercises at *the barre* that are repeated and built upon with each class. Students will concentrate on several classical ballet variations throughout the workshop. The repetition will allow them to really dig in and apply a high level of attention to detail to their work. The goal is for the students to feel secure and confident with their ballet technique in new, exciting, and empowering ways!

Students will be allowed to take either all or portions of the class *en pointe* at Miss Lorraine's discretion.

Reserve your spot at www.bacw.com!

NEW PARKING OPTIONS AT BAC!

There is a new additional parking lot behind the NextDoor Theater that can be accessed by driving down the ONE WAY driveway between BAC and the Theater.

The street in front of BAC's building on Cross Street will be marked as a "NO PARKING ZONE" and should be used for a "DROP OFF/PICK UP ZONE" only.

More details coming soon.

We thank you for your cooperation!

Dress Code and Hair

Students should have the proper attire for classes they are enrolled in. We have been making a concerted effort to educate our students about the importance of coming to dance class in proper attire and with their hair done appropriately. We are urging all students to make an effort to come to ballet classes with their hair in a bun, as it is part of a tradition that contributes to the student's feeling of "readiness" and enhances the success of their experience in class. We do understand that for many busy, working parents this may be asking a lot, but we encourage organizing supplies ahead of time in your child's dance bag (elastics, bobby pins, hairnets) so that it becomes part of the routine for class each week. At the very least, hair must be tied up neatly in a ponytail or pulled off of the face if it is short. We will appreciate any efforts on your part to help us make dance class a wonderful, positive part of your child's life! Thank you!
