

## Welcome BAC Mid-Level Students!

Our 2024-25 Dance Season will begin on **Monday, September 16<sup>th</sup>** and we are very excited as we launch into our celebratory 35<sup>th</sup> year! We are eager to meet new faces and to see those of our returning students as well!

### GETTING READY FOR DANCE CLASS

- When you arrive on day one, you may **enter through either the front or back entrance to our building** and come up the stairs where someone from our staff will greet you and let you know which studio your class will be in. *Please arrive 5 minutes before your class time.*
- Our lobby and waiting areas are open and parents are welcome to wait during classes or as always, leave and pick up at the end of class.
- Hopefully you have been able to find the proper **Dress Code** for the class you are signed up for on our website at [www.bacw.com](http://www.bacw.com).
- You can find what you need at On Your Toes Dancewear in Peabody, and in many cases items are available online (Amazon, Discount Dance, etc.). *If you cannot get everything you need for the first class or two, that is fine with us, and you can wear what you have until your items arrive.*
- **Please put names in everything you bring**, especially dance shoes.
- Water bottles and snacks should be kept in the designated area that you are assigned to along with your dance bag and belongings. Reminder that BAC is a nut-free building!
- Please reach out to the office if you have any information that we should know about your child before classes begin (**medical, allergies, special needs, etc.**) so that we can make their experience as positive as can be.

### THE INTELLIGENT DANCER!

- Keep in mind that the more prepared you are for your class, the better you will do! Dancers are known for their hard work ethic and often find that the more they put into their classes the more they get out of them and that includes *being on time, having the proper clothes and appropriate hair, and listening to the teacher's notes and corrections, even when they are meant for someone else!* "Class" is the dancer's "tool" and applying all that you can is what makes you the best dancer you can be!

**Here's to YOU and another great season of dance at BAC!**

**-Miss Debbie and BAC Staff**
